THE TOP STORY

## SPRING BASEBALL

BY Ellie Rodriguez, 11th grade

As we start a new season, our players are striving to reach new goals and setting new expectations for themselves and their team. Jason Labrada a varsity team member says his personal goals for this season are “to hit above 500 and to end the season with his team on a very positive note” His expectation for his team is “for us to get better and improve together and to work on the development of our team. I also want us to win against the key’s gate varsity team.” Amani Ramirez, a team member of the JV team says his goal for this spring season is “to end up making the varsity team and to be a better batter. My expectations for my team is for all of us to feel we've put in as much work as possible this season to become better players.”

## 100TH DAY OF SCHOOL

BY Bryan Ubeda, 8th Grade

100 days of school!  
I've learned a lot so far.  
Sorting, counting, adding,  
The sun's a big, hot star.

Learning letters and their sounds,  
Many new words to know,  
We're all busy learners --  
Stay 'round and watch us grow!

# FIELD DAY FUN

*BY Kamari Killebrew, 11th Grade*

We are thrilled to report that our recent Field Day event was an incredible success, filled with laughter, friendly competition, and a strong sense of camaraderie among our students. Throughout the day, our students demonstrated exceptional sportsmanship, encouraging and supporting each other at every turn. It was truly heartwarming to witness their growth as individuals and as a collective, as they celebrated achievements, learned from challenges, and bonded with their classmates. Field Day was not only about winning or losing, but about building relationships, fostering a love for physical activity, and embracing the joy of friendly competition. We look forward to next year's Field Day and anticipate another day of fun, teamwork, and lasting memories.

# CELEBRATING FRIENDSHIP

*BY Tiffany Bringas, 11th grade*

In a world that often seems fast-paced and ever-changing, there is one constant that brings joy, support, and a sense of belonging: friendship. As we reflect on the importance of this invaluable bond, we are reminded of the incredible friendships that flourish within our school community.

Friendship is more than just sharing laughs and good times; it is a foundation of trust, empathy, and unconditional support. At [School Name], we strive to create an environment that fosters positive relationships, encouraging our students to embrace the beauty of friendship and its impact on their lives.
